Welcome to the 4th Annual Par for the Cause Mini-Golf Classic!

We are always proud to host our friends and neighbors here at Vermont Hall and on the rest of the campus. This year has been one of rapid growth and change as we have continued to be a regional leader in early care and education and the go-to organization providing comprehensive support for families with young children.

We are continuing to develop our beautiful campus as a community resource and are delighted with the diverse group of mission-driven organizations who share our environs.

Next year will be Prouty's 50th year of serving our community's youngest and often most vulnerable members. Our work and our longevity would not be possible without our community partners including tonight's event sponsors:

Birdie Sponsor

- Trust Company of Vermont

Hole Sponsors

- Dead River
- David Manning, Inc.
- Edward Jones – Ana Saavedra
- Wright Construction

Thank you to them and to all our donors, friends and volunteers for supporting the development of children and families!

Chloe

River Valley Credit Union

What exactly is a credit union?
Simple answer; It's not a bank.

A credit union is a not-for-profit financial cooperative. We're member owned, which radically changes the intent. We're here for our members. Banks are there for profits.

We offer all the same services like checking, savings, mortgages, car loans, ATM's, online banking & more.

Join today!

NMLS#475498 NCUA

The Campus

Campus tenants include 24 businesses and organizations working to serve our community in a variety of ways. We still have a few office spaces available for long-term leases. We are also seeking buyers for some of the buildings on campus:

Hammond Dorm - 5040 sq ft - currently rented through April

Wheeler House
4300 sq ft
currently vacant

Holton Hall
32,400 sq ft
currently fully rented

Please contact us at 257-7852 for more information and a tour!

Program Spotlight

The Early Learning Express (ELE) bookmobile became a program of the Winston Prouty Center in 2017. The ELE brings songs, stories and educational activities along with a library of books to borrow. ELE programming is designed to increase students' concepts of print, letter identification, narrative abilities and phonological awareness.

Currently we offer a regular schedule of visits to 34 home and center-based early learning settings. We also partner with local public libraries, camps and free summer meal sites to expand the annual summer reading challenge program and to reach children ages 6-18 during the summer months. Many children do not have easy access to a library and may suffer from reading skill loss during the summer school break. Last year the ELE served 475 children and 110 adults and lent more than 5500 books.
