Welcome

It is an honor to have you join us for the 3rd Annual Par for the Cause Mini-Golf Classic. We are especially excited to be hosting it again in our new home now that the renovations have been completed. All proceeds from the event will go towards supporting the programs of the Center.

The move to the campus has been a big accomplishment, and we continue to develop our vision for what is possible in this beautiful place. We are honored to be joined by campus partners who share our vision for a vibrant community of mission-driven organizations working to make the world a better place.

This year we are also celebrating our new name, which reflects this vision. The Winston Prouty Center for Child and Family Development encompasses the true scope of our work – you cannot support the development of children without also supporting their families. This campus is a symbol of what is possible as we continue to work towards our mission. We will need continued broad community support in the months and years ahead as we make these possibilities come to life with our partners.

Thank you for your support this evening.

~ Chloe
Chloe Learey, Executive Director

A special thank you to our major sponsors . . . .

- Brattleboro Savings and Loan
- Wright Construction
- The Richards Group
- Trust Company of Vermont

. . . .and all our sponsors, donors and volunteers who made this event possible!

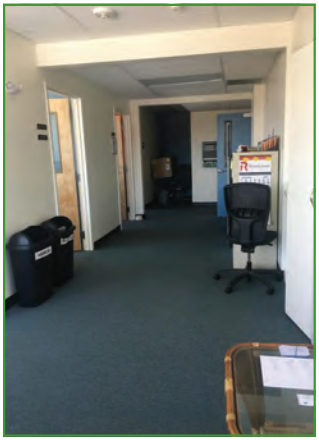
WINSTON PROUTY
Center for Child and Family Development

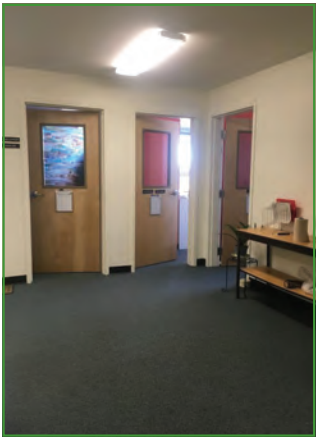
Our New Space!

The first week of July the Prouty Center moved from 20 Winston Prouty Way to our new home in Vermont Hall. Renovations started in April, and were (mostly) complete due to the amazing work of Wright Construction.

Our new infant classroom opened in late July, adding eight more spaces for infant care in our community, and we had a waiting list before we even started! This is an area of great need.

We also added office space for our staff who work in the community as well as space for staff from HCRS who work closely with the Children's Integrated Services (CIS) team. This new hub helps make it easier for families to access services.





And there is now more space to meet with families, and we offer meeting rooms to community providers as well, including the WSESU Early Childhood Special Ed Program, The Mother's Circle and various teacher and parenting training classes. Our classrooms and indoor space look terrific!

What's Happening on Campus?

We continue to look for more tenants on campus, and ultimately buyers. We are in the process of creating the Condominium Association that will eventually govern the campus, and the properties available to purchase include:

- Holton Hall – currently fully rented, 32,400 square feet
- Croker Hall – currently 85% rented, 27,100 square feet
- Wheeler House – available, 4,300 square feet
- Heinz Dorm – available, 5,040 square feet
- Hammond Dorm – available, 5,660 square feet
- Land – there is some acreage that may be available for future development

There is also space on campus to rent on a one-time or periodic basis:

- Holton Hall, 4th floor conference room – meeting space for 49
- Vermont Hall, multi-purpose room – meeting space for 100+
- Vermont Hall, commercial kitchen

Please contact us at 257-7852 for information and a tour!

Our Values

We Value . . .

Inclusion: We believe children, families and staff benefit from participating in an environment where everyone feels they belong, where every effort is made to accommodate differences and individual needs, and where everyone's uniqueness is celebrated.

Learning: We believe in fostering a culture of learning. We support children learning how to be fully themselves. We support families learning how to provide the support, love and education their children need. We support our staff learning diverse methodologies, and experimenting in the classroom and in the community, in an effort to get the best possible result with each child. We never want to assume we have the answers. We want to be in the practice of learning in every moment.

Collaboration: We believe in the power of groups to find solutions individuals cannot. We are committed to investing the time and resources necessary to work with our community partners and our kids' families to ensure that every child has access to the tools they need to thrive.

Persistence: We believe that there is hope for every child and for every family. We are committed to continuously searching for solutions to the most stubborn challenges, to empower families.

The Porch & Catering

You define the vision for the wedding of your dreams,
Hardy Foard Catering will make it come alive.

Review from a client posted on Weddingwire.com

"The food at my wedding was absolutely amazing. I did my best to try a little of everything and it was all fantastic. It has been three weeks since my wedding and friends are still telling me how great the food was. Gretchen was fantastic to work with and her staff was friendly and professional. I can't say enough good things." -Stephanie

River Valley Credit Union

What exactly is a credit union?
Simple answer; It's not a bank.

A credit union is a not-for-profit financial cooperative. We are member owned, which radically changes the intent. We're here for our members. Banks are there for profits.

We offer all the same services like checking, savings, mortgages, car loans, ATM's, online banking & more.

We simply do it for less.

Anyone who lives or works in Windsor and Windham counties in VT, and western Sullivan and Cheshire counties in NH may join.
NMLS#475498
